Rooting a Green Business in Our Community:

Securing a Permanent Home for Community Forklift

Dear Forklift Fans,

For four years, we have worked hard to serve you - our community. Now, we need YOUR help!

(We mean it. We *really* need your help this time).

In order to stay in our current location, we are raising funds to purchase our warehouse. Your support is urgently needed to:

- * Make Community Forklift a **permanent resource** for Prince George's County and the DC metro region,
- * **Reduce our heavy occupancy costs** and improve store operations,
- * Ensure our financial **sustainability in the long-term**,
- * Help the **County's most successful green non-profit business** to thrive and grow, and...
- * Continue to **lift up our community for years to come!**

To be eligible for loans, grants, and financing,

we must raise \$250,000 by March 31, 2010.

We know that not many of you have deep pockets, but there is strength in numbers! If each of our Forklift Fans lends a hand, we can make it.

We URGE you to make a tax-deductible donation to our building fund as soon as possible.

ANY AMOUNT will help.

(Seriously, anything. Go check your couch cushions!)

You can...

- * Make a secure online donation through PayPal right now at www.CommunityForklift.com,
- * Drop a donation in the Building Fund Box at our warehouse,
- * Donate by credit or debit card in the store, or
- * Make a check out to our nonprofit, "Sustainable Community Initiatives" (Please write "CF Building Campaign" in the memo line. You can drop it off at the store, or mail it to 4671 Tanglewood Drive, Edmonston MD 20781).
- * Please also consider sending this message to your neighborhood listserve, telling your friends about our building fund, or throwing a Forklift Fundraising party (contact Ruthie@CommunityForklift.com for info).

Thank you for recognizing the value of this unusual community resource.

Sincerely,

The Forklifters

(Jim, Nancy, Ruthie, Keith, Doug U., Joe, Meghan, Freddy, Kitty, Doug K., William, Sean, Matt, Terry, Bea, & Debbie)

P.S. - what about under the floormats in your truck? Any change there?
