The Community Forklift Mission

To *lift up communities* by

- Keeping reusable building materials out of the landfill
- Making repairs and renovation affordable for low income folks, homeowners, and non-profits
- Providing resources to small, local businesses to stimulate and support economic development
- Reducing the need for virgin building materials and sustaining the natural environment
- Job development, training and employment opportunities
- Educating the community about materials reuse, green building and environmental sustainability
- Fostering community collaboration and skill building through informal cooperation and mutual aid

Community Forklift Celebrates 3 Years of Success

- Opened for business on November 17, 2005
- Diverted over 3 million dollars worth of building materials from the landfill
- Provided low cost materials and support to local

Forklift Fans.....

We are counting on YOU to

HELP SAVE OLD BUILDING MATERIALS FROM EXTINCTION!

Help us ensure that old fixtures,
doors, floors and 2 x 4's find a good
(new) home!

- Your \$5 donation will ensure the rescue of a dozen lost 2x4s
- Your \$10 donation will save a used cabinet from being dumped
- Your \$25 donation saves a vintage light fixture from being lost forever
- Your \$100 donation could help us modernize our safety equipment
- Your \$200 donation can be put toward green job development

You can support our efforts to
green the community by making
an end of year donation
